

DEWI Magazin Media Data 2016

The Magazine of UL International GmbH (DEWI)

For almost 24 years the DEWI-Magazin has been published twice a year and today reaches more than 3,000 readers in 70+ countries of the world (digital & print). Among these are international wind energy experts who have subscribed to the magazine or receive it as visitors on national and international fairs and conferences. Since 2015 it can be downloaded as a digital DEWI Magazin (optimized for tablet or PC) at www.dewi.de. Your advertisement will reach the industry, utilities, investors, banks, engineering firms, government authorities and experts worldwide.

Advertise in DEWI-Magazin in German or English.

- Information on research and practice of wind energy
- Scientific reports
- News from within the wind energy sector
- International developments and news
- Multilingual articles
- Half-yearly wind energy statistics for Germany

Premium Positioning:

extra charge of 10 % on all fixed positions (cover pages on request)

All rates listed here are exclusive of the current V.A.T. Please stick to the sizes given. Wrong proportions may lead to smaller advertisements which we cannot compensate by a reduced price. Print is carried out within the commonly accepted tolerances. Invoices will always be made out to the party ordering who will be liable to pay even if acting on behalf of another party.

Discount

If you book your advert in two or more issues you will get a discount of 10% on the advert price. Other discounts are not available.

Date of Publication

The DEWI Magazin is published around the end of February/August, in time for important national/international fairs and conferences. We ask for your understanding that we cannot give an exact publication date.
